

# Biorism Sterivox Laundry Bundle (Hospital)

1. Biorism Mediwash
2. Biorism Oxy Bleach
3. Biorism 360° Laundry

**Biorism Sterivox Laundry Bundle (Hospital)** is a professional laundry care washing bundle designed for hospitals, hospitality, and institutional use. By combining **Biorism Mediwash**, **Biorism Oxy Bleach**, and **Biorism 360° Laundry**, it delivers a complete solution for cleaning, brightening, and protecting fabrics against harmful microbes – all in shorter, ambient-temperature wash cycles.

## > Key Benefits

### Effective in Ambient Temperature

Achieve powerful stain removal and proven antibacterial action without the need for hot water.

### Comprehensive Hygiene

Triple-action system: detergent, oxygen bleach, and disinfectant for deep cleaning, whitening, and antimicrobial protection.

### Energy & Cost Efficiency

Lower electricity consumption through reduced heating requirements and shorter wash cycles.

### Sustainable Laundry Care

Reduced water and energy demand, aligned with environmental and ESG commitments.

### Operational Time Savings

Faster laundry turnover with optimized low-temperature cycles.

# Biorism Sterivox Laundry Bundle (F&B)

1. Biorism Sterivox Go
2. Biorism Oxy Bleach
3. Biorism BioLift

**Biorism Sterivox Laundry Bundle (F&B)** is a professional-grade laundry care system designed specifically for **restaurants**. This bundle combines **Biorism Sterivox Go**, **Biorism Oxy Bleach**, and **Biorism BioLift** to effectively remove both normal food stains and heavy oil stains. The full wash cycle requires only **43 minutes** without inquiring **hot water** and offering an energy-efficient cleaning solution.

Normal Stain (Food Stain)	Biorism Sterivox Go + Biorism Oxy Bleach
Heavy Stain (Oil Stain)	Biorism Sterivox Go + Biorism Oxy Bleach + Biorism Bio Lift

## ➤ Key Benefits

 **Operational Time Savings**  
Optimized wash cycles allow faster laundry turnover for high-demand F&B operations.

 **Energy & Cost Efficiency**  
Efficient cleaning with lower electricity, no hot water needed.

 **Sustainable Laundry Care**  
Reduced water and chemical usage, aligned with ESG commitments.

 **Tough Stain Removal**  
Eliminates oil, grease, and food stains while preserving brightness.
